

Introducing Cio by Winegard, a multi-standard media player with a touchscreen 10.2" wide-screen LCD monitor that can receive mobile digital TV signals. Cio plays a wide range of media formats, including DVD, CD, iPod®, MP3, SD and other card media, USB and game input. MDTV, Wi-fi and 3G are optional.

Its sleek, self-contained design makes Cio perfect for home, auto, mobile and handheld operation. With power options that include 12V (auto), AC adapter or a rechargeable Lithium Ion battery (5 hours), Cio can be viewed anywhere.

ABOUT WINEGARD:

Winegard Company has been manufacturing quality television and radio reception products for more than 55 years. Headquartered in Burlington, Iowa, Winegard enjoys a worldwide reputation that is based on many industry "firsts," including the all-channel "Yagi" TV antenna, 82-channel antenna, antenna mounted preamplifiers, antenna amplifiers, the anodizing process, perforated aluminum satellite antenna and the RV television antenna, among others.

Winegard Company currently manufactures and markets Mobile Television Reception Products, Satellite TV Antennas and Mounts, Over-the-Air DTV/HDTV Antennas and Telemetry Medical and Data Antenna Systems.
