

# SAMSON

## CREATING VALUE FOR OUR CUSTOMERS IS OUR DRIVING FORCE:

- With over 1,000 products, mixing capabilities, order-fill and services we create value for our business partners, shareholders, employees and society. Increasing profitability and consistent cost management in all business areas are the basis for your/our success.
- A dedicated sales representative to all direct accounts for:
  - » Daily Communication
  - » Order Tracking and Production Status
- Our customers can mix all the products we produce on one container delivered to their location. Doing business with Guizhou Tyre Company is a one source supply with multiple product categories to choose from.

OE Supplier Value Brand

# ONE-SOURCE SUPPLY

GTC North America provides top-quality, defect-free, on-time tires that meet the needs of our customers. Authorized distributors can mix and match any type of our Samson branded tires in one container shipment, including: MTR/Mobile Crane, Bias Truck, OTR/Logging, Industrial, Farm/Skid Steer and Giant/Solid Giant. ISO9001, ISO14001, American NHTSA DOT certification, European E-Mark and the Gulf Standards GCC certification.

MIX & MATCH

CONTAINERS

## RADIAL AND BIAS OTR

We manufacture OTR tires in all sizes for all applications across the globe.

## RADIAL SKID STEER

Delivers excellent tire life and outstanding productivity for hard surface conditions.

## RADIAL FARM

A wide range of tires tailored to your agricultural vehicle.

## SKID STEER

Delivers performance, reliability and superior results in severe job conditions.

## LOGGING

Tires that perform in the most severe and challenging forest environment.

## PRESS ON SOLID

A wide range of sizes and applications to fit your needs.

## FARM FRONTS AND IMPLEMENTS

Extra load-carrying capacity and the slip resistance you depend on.

## BIAS TRUCK

Economy and value in a commercial bias truck tire.

## MOBILE CRANE

High speed service in a line of mobile crane tires.

## MTR

Developed to deliver performance, durability, long tread wear, and re-treadability.

## SOLID

Maximizes durability and operator comfort even in extreme applications.

## GIANT SOLID

Durability and performance for heavier loads you can depend on.
