

The Future of Tire Technology

CLV2

*All Season Highway Crossover
& Sport Utility Tire*

Sure stability and performance at highway speeds.

Speed rated so you'll feel confident at highway velocity, the CLV2 also features enhanced stability tread design and stylishly civilized good looks. You'll own the road.

Wet traction grooves. Four wide longitudinal grooves speed water evacuation for great handling and cornering on wet pavement.

Solid stability rib. The continuous center rib ensures straight-line driving stability with just enough siping to further improve high-speed performance.

Stable shoulder design. The large shoulders provide the contact patch needed for sure cornering and stability.

Grip optimized grooves. The design of the CLV2's lateral and longitudinal grooves delivers extra gripping ability, more control, better braking performance.
